Budget Agency	Identifies a department, agency or establishment of the U.S. Government that is responsible for the budget account. This is the same as the Agency Identifier shown as part of the TAS.	CARS: Central Accounting and Reporting and OMB	3
Budget Bureau Code	A Budget Bureau is an organizational unit within a Budget Agency and consists of one or more accounts for presentation in the President's Budget.	CARS: Central Accounting and Reporting and OMB	2
Budget Account Code	A budget account generally covers an organized set of activities, programs, or services directed toward a common purpose or goal. Used in conjunction with the Agency Identifier and the Budget Bureau Code, uniquely represents a budget account, which is an administrative or functional subdivision of an agency and sometimes a budget bureau. This is generally the same code as the Main Account code shown as part of the TAS unless it represents a consolidated account (more than on TAS).	CARS: Central Accounting and Reporting and OMB	4
Budget Subfunction Identifier	OMB assigns each expenditure and offsetting receipt account a three-digit code that corresponds to the account's sub-functional classification (e.g., national defense, income security, agriculture). Annually, OMB consults with CBO and other relevant budget and appropriation committee staff members regarding functional and sub-functional classification. This process, which is required by statute, typically occurs from October through December.	CARS: Central Accounting and Reporting and OMB	3
Chapter	Chapter used in the Treasury Combined Statement to represent a reporting agency.	CARS: Central Accounting and Reporting	100
Extended Disbursing Authority	Indicates the year beyond the 5 th expired year that the TAS legally can disburse funds. If no Extended Disbursing Authority, this field should be blank (four blanks/spaces).	CARS: Central Accounting and Reporting	4
